Looks good.

The one change is regarding periodical subscriptions found in Zinio, Nook and Kobo. According to Phil, these should move over to IAP for that content immediately.

Ron,

Here is the proposal for the transition to IAP in the Books category.

Would like to move forward as soon as Phil has his calls with Amazon and B&N tomorrow.

Shaan

1. Messaging

Current Apps

- **Must migrate from current business model to IAP by June 30, 2011**
- **Updates on a case by case basis. Bug fixes and customer satisfaction issues only. No new features.**

New Apps

- **No longer allowing business models outside App Store.**
- **App will not be approved.**
- **Current apps in the store will be migrating to IAP (no timeframe given.)**
