Where specifically are you intending to sell keys? There are a number of stores selling keys illegally for EGs content, so I wouldn't take the existence of EGs content in various stores as "approval" from our end.

Thanks Kimi.

Hi Hector

If you can let me know the situation with selling keys via third parties that would be great.

Cheers

Gary

Hi Kimi

Normally we would work with various key selling partners to offer our games via key. What is the situation with selling Epic keys? I notice a lot of our partners do offer those and would like to carry on if possible.

Cheers

Gary
