Waffle is the place for inappropriate, politically incorrect and offensive questions and answers. Vote on the latest polls or follow accounts to see the questions they ask.

If you thought cards against humanity was bad, they got nothing on us!

If you are easily offended then Waffle is not for you. All questions in Waffle should be created with a sense of humor and not taken seriously.

Awful waffle  
It isn't edgy, it isn't funny, it isn't any good. The questions are lazily written, and very hacky. It tries why to hard to be topical and offensive.
